Reclamation / Mining Bond  
Bond No. '  
Bond Amount \$141,000.00

Gentlemen:

The above captioned bond will be replaced within the very near future by a new approved surety. In order to provide the correct coverage, it will be necessary for your office to indicate whether the current bond amount may be reduced or if it will be necessary to increase its current limit. Also, please advise how and when the prior bond will be released upon the filing of the new bond.

Thank you for your help and cooperation and should you have any questions please feel free to call me at 313-393-6865.

Sincerely,

*Richard E. Seaman*
